CPA PROGRAM NOW BEING TAUGHT IN SUNWAY TES CENTRE FOR ACCOUNTANCY EXCELLENCE

Wednesday 02/09/2015

KUALA LUMPUR, Sept 2 (Bernama) -- Students enrolling for the CPA Program will now be able to receive additional support with the appointment of Sunway TES Centre for Accountancy Excellence as CPA Australia's Registered Tuition Provider.

Tuition at Sunway TES will provide students with 36 hours of face to face weekend classes at Sunway TES' education facilities, direct access to an expert tutor to assist students through the subject content and networking opportunities with like-minded peers to help support students in their studies.

"This is another milestone in the long and mutually beneficial relationship CPA Australia has shared with the Sunway Education Group and its many subsidiaries. As a prestigious institution, Sunway TES Centre for Accountancy Excellence plays a vital role in the growth and progress of the accounting profession in Malaysia," said Wong Chin Aik, President of CPA Australia Malaysia Division.

"CPA Australia is committed to nation building and up-skilling efforts to bring the country's accounting profession to greater heights and promote the Government's goal of achieving 60,000 professional accountants by year 2020."

"Taking up the CPA Program provides that first step in gaining invaluable all round knowledge from a base of global business, strategy and leadership. The commitment to begin the professional qualification journey early by the undergraduate can only be perceived as a positive intent by employers," said Chin Aik.

The CPA Program is a world class, international recognised program. The content of the CPA Program focuses on strategy, leadership and international business and is designed to give candidates the skills to stand out in the real world. CPA Australia uses examples drawn from current news and legislation so each subject is interesting, and highly relevant and applicable in today's global marketplace.

Comprising of 6 subjects, the CPA Program is positioned within a broader context of contemporary business including corporate governance, ethics and integrity, development and implementation of business strategies, decision-making and leadership. Integrated into the CPA Program, the practical experience requirement requires the candidate to complete at least 3 years of supervised, relevant work experience in accounting and finance.
