# KPMG Executive Summary of Tax Proposals in FY 2017 Budget

On February 9, 2016, President Obama transmitted to Congress his fiscal year (FY) 2017 budget, containing the administration's recommendations to Congress for spending and taxation for the fiscal year that begins on October 1, 2016. Although it is not expected that Congress will enact – or even vote on – the president's budget as a whole, the budget represents the administration's view of the optimum direction of spending and revenue policy.
