

Expert Witness & Litigation Support Services for Insurance Claims

KPMG's Forensic team offer accounting advice and expert witness services in connection with claims for consequential loss arising from a variety of business disruptions.

Questions for corporate insurance clients and their solicitors

- Have you or your client suffered business disruption as a result of another party's negligence?
- Do you require an expert accountant to report and give evidence on the quantum loss in your case?
- Do you need assistance with the financial and accounting aspects of a business interruption claim?

Client Needs

Advice on the merits of the case from an expert accountant's perspective

A high quality, objective, written report setting out the issues and our opinions concerning the claim

Expert evidence in court

Assistance in coming to a sensible negotiated settlement

Client Needs

Experienced auditing and accounting assistance when reviewing insurance contracts and the sum(s) insured

Reports drafted with precision and clarity that are readily comprehensive to the non-accountant

Our experts have withstood extensive cross-examination in both court and arbitration hearings

An independent expert to determine or mediate your dispute

Client Needs

Assistance with collation and analysis of documentation that supports the merits of the matter

Clear and objective reports that provide a power presentation of facts, opinions and conclusions

Credible oral evidence in support of the expert report

A fair result based on the terms of the agreement between parties
