Who we are?

KPMG around the world

We are a global professional service firm network offering audit, tax, advisory and business services in more than 142 countries. We have more than 275.000 professionals working in member firms all around the world.

The firms of the KPMG network around the world share the same set of values, processes, methodologies, policies and control mechanisms which make it possible to offer a consistent level of professionalism, integrity and technical competence in every country where we operate.

KPMG One Americas

We work as one firm from United States to Chile, in an integrated, consistent and strategic manner for the benefit of our clients, which gives us the governance to mobilize resources, specialized experience, good practices and an efficient coordination.

One Americas Team:

The background of the entire slide is a high-angle photograph of a mountainous landscape. In the foreground, a dense forest of evergreen trees covers a hillside. Below the forest, a thick layer of white fog or low-lying clouds fills the valleys. In the distance, more mountain peaks are visible, some partially obscured by the fog. The sky is a clear, vibrant blue with a few wispy white clouds near the horizon.

**We seek to build an ethical, inclusive
and environmentally sustainable world
to ensure quality of life for everyone**

Environmental, Social and Governance
