REVENUE MEMORANDUM CIRCULAR NO. 102-2017

SUBJECT : Taxation of Taxpayers Engaged in Philippine Offshore Gaming Operations

TO : All Internal Revenue Officers and Others Concerned

I. Background

On September 1, 2016, the Philippine Amusement and Gaming Corporation (PAGCOR) issued Rules and Regulations for Philippine Offshore Gaming Operations (POGO), clearly defining the concept, components, operations and regulation, among others, of Offshore Gaming. This gaming activity basically refers to the offering by a licensee of PAGCOR of online games of chance via the internet, using a network and software or program, exclusively to offshore authorized players, excluding Filipinos abroad, who have registered and established an online gaming account with the licensee.

The Bureau of Internal Revenue (BIR), not a newcomer to the workings and tax issues presented by online business transactions through the internet, feels that the challenge in gaming operations is how to implement a fair and equitable taxation of online gaming businesses, how to monitor the revenues and revenue-generating activities of POGO and how to adapt existing taxes to POGO so as to lessen the so-called "lost potential tax revenues". This is the perspective from which the current issue of taxing taxpayers engaged in POGO should be viewed.

Given this perspective, this Circular is being issued to clarify the taxability of POGO and its gaming components, mindful of BIR's basic taxation framework spelled out in Revenue Memorandum Circular (RMC) No. 33-2013 dated April 17, 2013, that applies to operations of PAGCOR licensees and contractees. To be sure, due consideration is given to relevant jurisprudence, the accepted recognition that online activity is sufficient to constitute doing business in the Philippines and the "level of digitalization" of BIR's tax enforcement and collection system.

II. Policies and Guidelines

Consistent with tax laws applicable to taxable business entities and establishments, persons who conduct or who are engaged in the business of offshore gaming operations, including their agents and components shall observe and comply with the following:

1. Register the business at the Revenue District Office (RDO) having jurisdiction over the principal place of business/head office (or residence in case of individuals), by accomplishing BIR Form 1901 (for individuals) or 1903 (for corporations or partnerships), and pay the registration fee to any Authorized Agent Bank (AAB) located within the RDO. A BIR Certificate of Registration shall be issued by the RDO, reflecting therein the tax types required of the concerned taxpayer for filing and payment, which shall be displayed conspicuously in the business establishment.
2. File applicable tax returns on or before due dates, pay correct internal revenue taxes, and submit information returns and other appropriate tax compliance reports in accordance with existing rules and regulations.
