

At KPMG, we strive to keep our clients informed, ready and aware of the tax environment in Qatar. As part of our continued efforts to keep Taxpayers conversant with taxation in Qatar, **we are happy to share here attached an updated version of the Tax law booklet (both English and Arabic version).**

The booklet contains Law No. 11 of 2022 on 02 February 2023, and its Executive Regulations on 16 May 2023 amending several provisions of both the Income Tax Law No. 24 of 2018 and its 2019 Executive Regulations. In parallel, the GTA continues to issue Circulars to bring clarity to the Tax Law and the Regulations.

The booklet is structured as follows:

Section A: Updated Income Tax Law, including the amendments introduced by Law No. 11 of 2022 on February 2023

Section B: Updated Executive Regulations including the amendments published on May 2023

Section C: Tax Circulars

We will continue to keep you up to date and share our Tax alerts on any further tax reforms. We thank you for your continued business and appreciate working with you.

Further we would like to invite you to join us for our Annual Tax Summit 2024, an essential seminar designed to keep you at the forefront of tax developments in Qatar and the broader region. This year, we are focusing on providing businesses with the latest updates and expert insights to effectively navigate the complex tax landscape.
