KPMG Secure File Transfer

KPMG in Sweden supplies a service for secure file transfer between KPMG and clients.

- The service is hosted in KPMG:s data center in Sweden.
- You can use any web browser but please observe that **Upload Folder** doesn't work with Internet Explorer.
- Files will automatically be deleted after 14 days.
- Client accounts automatically expire after 60 days of inactivity.

If you need more help or information, please get in touch with your contact at KPMG.

The screenshot shows the KPMG by globalscape interface. At the top, there is a navigation bar with the KPMG logo, a search bar, and a 'Language' dropdown. Below the navigation bar, the main content area shows a sidebar with 'My Folders' and a list of items: 'Företag 1' (highlighted with a yellow box) and 'Projekt X'. To the right of the sidebar, there is a large, stylized upload icon with an upward arrow and the text 'Drop items here to upload'.

External users

- First open the shared folder in **Shared with Me**, then upload and download as above.
- Please observe, you can't upload files or folders to **My Folders**

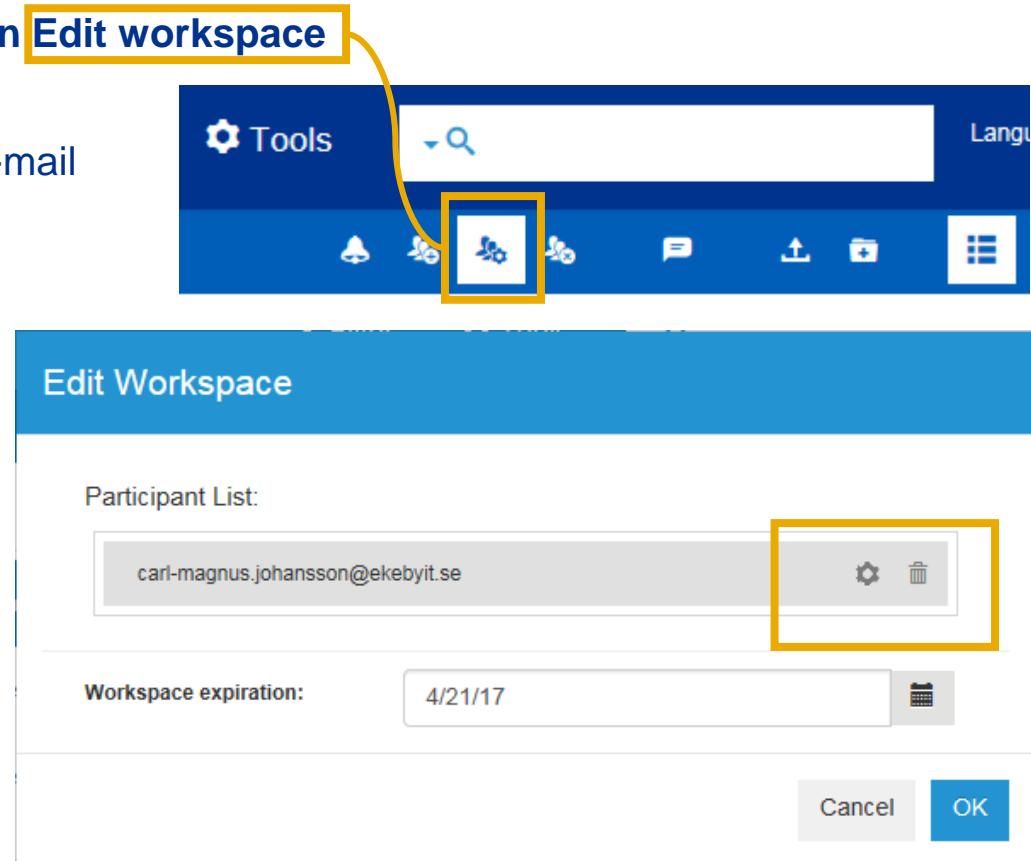

The screenshot shows the 'Shared with Me' section of the KPMG interface. On the left, there is a sidebar with 'My Folders' and a list of items: 'Företag 1', 'Projekt X', 'Projekt Y', and 'Shared with Me' (highlighted with a yellow box). Under 'Shared with Me', there is a folder named 'Test 2 (SE.ahyvarinen)'. To the right of the sidebar, there is a large upload icon with an upward arrow and the text 'Drop items here to upload'. A blue banner at the top of the right panel says 'This folder is being shared with you as a Workspace by SE.ahyvarinen.'

Manage users

Open or select the folder and click on **Edit workspace**

You can
