

# Seminar in Singapore: Listing on Tokyo Stock Exchange for Singapore Companies

Tuesday, 26 June 2018 | 2.00pm to 5.00pm | Hilton Hotel Singapore

KPMG Japan Asia Listing Advisory Group and Mitsubishi UFJ Trust and Banking Corporation are pleased to host "Listing on Tokyo Stock Exchange for Singapore Companies" Seminar in Singapore on 26 June 2018 (Tuesday).

## Seminar Highlights

Tokyo Stock Exchange ("TSE") has over the years taken various initiatives to encourage and support the listing of foreign companies not only on the main markets (First Section and Second Section), but also the emerging enterprises market (Mothers Board). The liquidity and valuation of the Mothers Board is relatively higher than the emerging enterprises market of other Asian stock exchanges, but with lower listing costs.

TSE welcomes and supports high-quality Singapore companies in the technology and healthcare sectors, amongst others, to expand their global presence and gain direct access to the diversified investor base in Japan. This seminar looks at the advantages of TSE as a listing venue, and will also share insights on cross-border listings and the key considerations for listing on TSE.

## Who Should Attend
