

# Download New KPMG IFRS App

## The Quick guide into IFRS provides:

- Summary of our Insights into IFRS publication,
- Interactive features such as decision trees, a comprehensive glossary and search functionality,
- Links to Thought Leadership available on our external website, on some of the current hot topics in accounting such as IFRS 15 and IFRS 16.

The app "Quick guide into IFRS" is currently available to download in the App Store and a version for Android devices will soon be deployed.
