The screenshot shows the KPMG 2025 Global CEO Outlook website. The header includes the KPMG logo, navigation links for 'Our Insights', 'What we do', 'About KPMG', and 'Careers', and a search bar. The main title 'KPMG 2025 Global CEO Outlook' is displayed, along with a sub-headline 'CEOs doubling down on AI and talent investment as the keys to resilience and growth'. A large image of a woman in a blue shirt and glasses is on the right. Below the title, a section discusses geopolitical tensions and economic uncertainty, mentioning 79% of CEOs are optimistic. It also highlights AI investment and talent retraining. A quote from a man in a suit is shown in a box: 'It's clear from our findings that CEOs are finding opportunities from disruption by investing boldly in technology, innovation and talent. With what we are seeing there's a careful balance required between innovation and responsibility. CEO responses on AI exemplify this, with leaders recognizing the need to embrace innovation while managing concerns over ethics, regulation, upskilling and access to talent. Ultimately, the leaders who can embrace market volatility and focus investments in the right strategic areas for their organization.'
