

KPMG Powered Enterprise: Procurement

Unlock your procurement potential

Unlock your potential with KPMG's new Financial Services Powered Procurement team

KPMG has launched a dedicated **Financial Services Powered Procurement Team**. This team will be able to support Financial Services Procurement teams, who are facing new global challenges and are being asked to take an increasingly central role, as CPOs look to drive value through management of compliance, suppliers and risk. The KPMG Financial Services Powered Procurement services combines our depth of knowledge in financial services, strategic alliances with technology enablers and a strong track record in successfully delivering global procurement transformation projects.

Our team of professionals, led by **David McGonigle**, will offer you expertise on how to navigate your transformation journey, so you can be confident you are making the right decisions, reflecting well-established processes and integrating them successfully into your technology landscape.

Our team can also provide a range of additional services, such as category and cost management, procurement consultancy, and risk management services.

KPMG's FS Powered Procurement offers an outcome-driven solution that helps prepare your business for the future:

- 1** A jump start to your digital transformation
- 2** Immediate access to leading practices and processes
- 3** Validated solutions with tried-and-tested real-world usability
- 4** Helping reduce implementation risk and enhance ROI
- 5** High-touch change management and employee experience
- 6** A solid platform for continued evolution and progress
