

Be the disruptor

KPMG Powered Enterprise HR

Enabled by Workday

To disrupt you must transform

Additionally, 70% of CEOs say they need to be quicker to shift investment to digital opportunities and divest in those areas where they face digital obsolescence. Acting with agility is the new currency of business and CHROs have a pivotal role to play in how the organisation and its people respond.

What you might be thinking about

- How should I reshape the work force?
- How do we become more evidence based?
- What human capital changes will drive value?
- What's the best way to optimise digitisation in HR?

An accelerator for business transformation

KPMG Powered HR enabled by Workday is the outcome-driven solution that prepares your business for the future.

A pre-configured Workday solution, embedded with years of leading practice and the very latest in robotic process automation, it enables you to quickly transform and derive maximum value from your move to the cloud.

At the heart of Powered HR is a pre-built target operating model that complements Workday in the cloud.

[KPMG CEO Outlook UK 2022 KPMG in the UK](#)

“ Powered enables us to see the future, relate it to what we have today and move forward with leading practice. ”

— A multinational hospital

“ KPMG was a perfect fit for us, bringing the tools and experience necessary for us to make a complete and smooth transition to the cloud. ”

Our teams understand the human factors involved in business transformation, so we can help inspire and empower your people to embrace change, as you move forward to align your workforce transformation with industry disruption.

It's not what you put into the cloud that matters, but what you get out of it

- A jump start to your digital transformation
- Immediate access to leading practices and processes
- Validated solutions with proven real-world usability
- Reduced implementation risks and enhanced ROI
- High-touch change management and employee experience
- A solid platform for continuing evolution and progress

What's in the box?

Powered HR provides a formidable combination of leading practices and processes, proven technology solutions and a next-generation delivery framework.

- The Powered operating model shapes how transformation plays through every layer of your organisation;
- the Powered execution suite is an integrated platform of next generation tools to help deliver that transformation;
- and Powered managed services with access to specialised resources, managing cost and predictability.

The Powered operating model

Going beyond efficiency gains

Powered HR enabled by Workday is focused on the future agility of your business. It includes and reaches beyond efficiency gains from traditional HR-related tasks by using automation, predictive analytics and cognitive learning to extend the role of HR — this is a legacy you won't need to discard in five year's time.

Shape your workforce for the future with KPMG Powered HR and Workday.
