

# Future. Proof.

## KPMG Powered Enterprise Finance

Enabled by Workday

### To disrupt you must transform

Despite geopolitical and economic challenges, 71% of CEOs are confident in the growth prospects for the global economy over the next three years. Additionally, 70% of CEOs say they need to be quicker to shift investment to digital opportunities and divest in those areas where they face digital obsolescence. Acting with agility is the new currency of business and CFOs have a crucial role to play in delivering these new strategic priorities.

#### What you might be thinking about

- How does the finance function need to change to enable business agility?
- How do I help my people embrace the change?
- How do I get more value from my data?
- How do I provide the insight and control to oversee wider innovation and transformation?

#### Accelerate your business transformation

KPMG Powered Finance enabled by Workday is the outcome - driven transformation solution that prepares your business for the future.

A pre-configured cloud solution, embedded with years of leading practice and the very latest in robotic process automation, it enables you to quickly transform and derive maximum value from your move to the cloud.

At the heart of Powered Finance is a pre-built target operating model that complements Workday Financials Cloud.
