Securitisation services

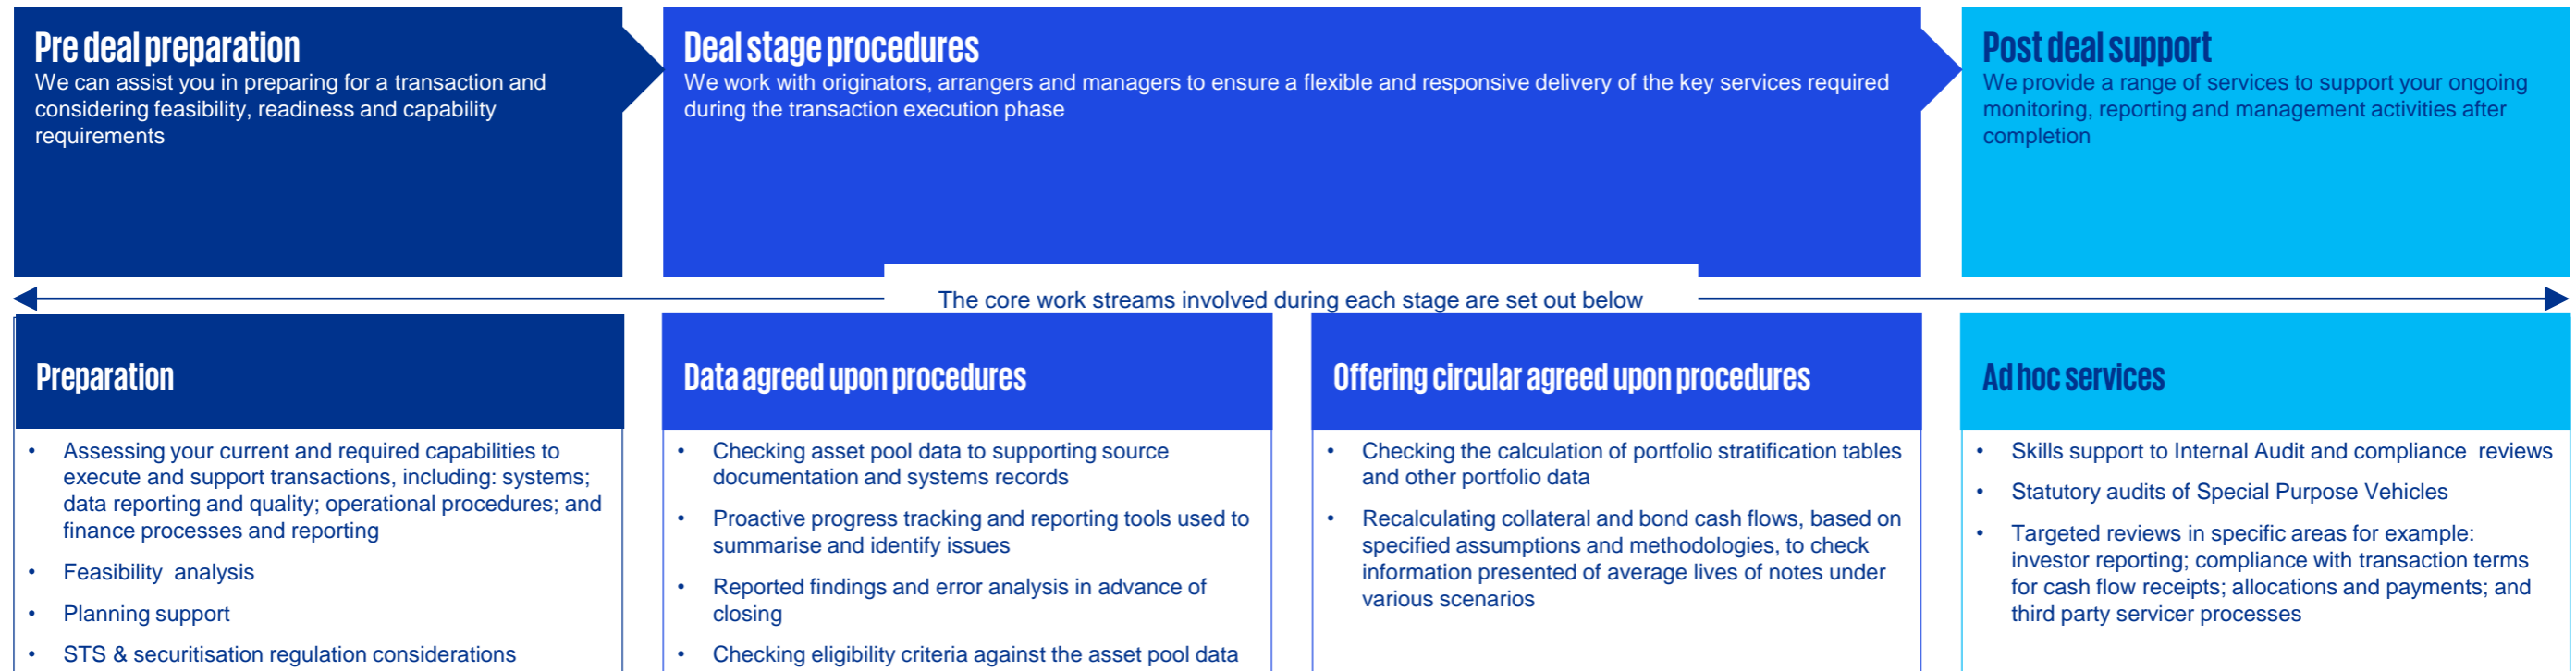

Securitisation services

For over 20 years, KPMG has had a dedicated team of professionals working full time providing services to support clients carrying out Securitisations and other similar Structured Finance transactions. Our UK team is linked into a network of colleagues located across Europe, the US and other major global centres. We provide a range of services to support new or experienced issuers and arrangers, across the full life cycle of a typical transaction.

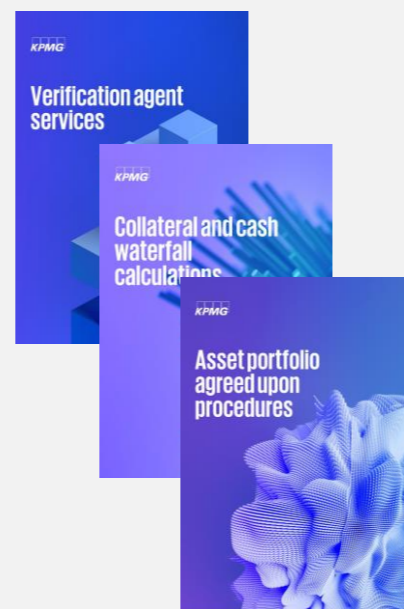

Transaction phases:

Linked services

- To know more about our core services please see our detailed service sheets.
- KPMG also provides an extensive range of related services through the Credit Pricing & Analytics team, the FS Financing team, the Financial Services Risk Consulting team covering regulatory matters and the European Portfolio Solutions Group.
- Please contact us for any other enquiries you may have.
