### JCT revenue estimating process

On January 23, 2017, the Joint Committee on Taxation (JCT) released a presentation (in outline form) entitled The Joint Committee on Taxation Revenue Estimating Process.

The outline describes the process and economic methodologies behind revenue estimates prepared by the JCT staff. The document contains information about:

- The JCT revenue estimating staff
- The JCT revenue estimating process
- The process Members of Congress use to request revenue estimates
- JCT tax models
- Accounting for taxpayer behavior in the estimating process
- Accounting for interactions among proposals
- JCT's "quality control" process
- JCT macroeconomic analysis and models
