## IRS announces QI / WP / WT application and account management system (QAAMS) fully transitioning to new sign-in system

The IRS today announced that beginning May 17, 2023, it will no longer support the use of existing IRS accounts to access the qualified intermediary (QI), withholding foreign partnership (WP), and withholding foreign trust (WT) application and account management system (QAAMS).

QAAMS now offers sign-in options with [Login.gov](#) and [ID.me](#), IRS technology providers. Users must create a Login.gov or ID.me account using the same first name, last name, and email account, by May 17, 2023. A taxpayer identification number (TIN) is not needed to access QAAMS.
