KPMG Ignite Your Future Program 2024

The KPMG Ignite Your Future program is an initiative that supports local talent in a collaborative way. If you are ready to enjoy diverse challenges, work in a dynamic environment and help make a difference, we want to hear from you. The program includes everything from work experience, to internships and training.

Scholarship opportunities

KPMG in the British Virgin Islands is pleased to launch our scholarship program for qualified BVI Islanders or Belonger students who have attained strong academic achievement and wish to complete an undergraduate/graduate degree, locally or overseas. Students should possess an interest in pursuing a career in accounting, finance, tax, or accounting information systems or sustainable finance in the BVI.

We will provide financial assistance for students to study locally or overseas of up to US\$30,000 per year to be used towards standard tuition, textbooks, room and board as needed.

Apply now at kpmg.vg before April 30, 2024.

Summer internship opportunities

During summer, KPMG offers several opportunities across all of our departments. Applicants should be 17 years and older by the date they apply. Students will gain exceptional insight and experience on how global accounting firms operate, through working within our various teams.

KPMG's internship program provides young professionals many opportunities, such as training, client engagement, networking, citizenship activities and much more. Each intern is assigned a Buddy/Mentor to help answer questions and provide guidance during their time at KPMG.

Apply now at kpmg.vg before March 31, 2024.
