

Turnaround & Restructuring

KPMG in Vietnam and Cambodia

We respond to your situation...

Solutions to improve profitability, cash flow and the balance sheet throughout the business cycle.

01

Growth

- Deteriorating profitability despite strong growth.
- Long tail of underperforming business segments.

02

Underperformance

- Low profit margins versus sector peers.
- High operating costs and unsustainable budget.

03

Stress

- Worsening financial performance and cash flow.
- Increasing liabilities and limited sources of funding.

04

Distress

- Imminent liquidity risk and inability to repay debts.
- Impairment of business model and risk of insolvency.

05

Deals

- Optimizing business performance ahead of a sale.
- Ambition to deliver post-deal profit and cash upside.

... and deliver tangible results quickly

We are committed to making a positive impact on Vietnam and Cambodia's societies and business environments.

Cash & Working Capital Optimization

Release cash from receivables, payables and inventories to fund operations and investments.

Cash Flow Forecasting & Stabilization

Deploy robust cash flow forecasts to monitor liquidity, accelerate inflows and control outflows.

Turnaround Advisory

Create decisive plans to turn the business around, including cost, cash and fix/sell/close initiatives.

Financial Restructuring

Restructure financial liabilities to install a capital structure which supports the business strategy.

Independent Business Reviews

Assess financial resilience of borrowers and other parties to protect stakeholder value.

Non-Performing Loans Advisory

Assess options and develop plans for accelerated non-performing loan resolution.

Deal Value Creation

Enhance deal value by delivering revenue, profitability and cash upside pre-deal and post-deal.

Loan Portfolio Analytics

Obtain detailed insights into loan portfolio composition and evolution ahead of a deal.
