*FY17: 1 October 2016 — 30 September 2017.

Financial growth is reported in local currency terms.

The financial information set forth represents combined information of the separate KPMG member firms that perform professional services for clients. The information is combined here solely for presentation purposes. KPMG International performs no services for clients nor, concomitantly, generates any client revenue.

Headcount figures are expressed as FTE (full-time equivalent) and are based on average headcount for the financial year.
