

Global Indirect Tax Brief

May 2018

This month's KPMG Global Indirect Tax Brief brings you the latest news on indirect tax developments from around the world. As indirect tax rates continue to increase and the rules become more complex, maintaining an awareness of changes in this area is critical to ensure that they are implemented, reported and managed appropriately.

Here you will find briefings on key news, events and thought leadership submitted by tax professionals in KPMG member firms globally. You can further the discussion on the topics of your choice by sharing articles on your social media networks or join us in our tax discussion group on [LinkedIn](#).
