Is your tax function future-ready?

Are you being challenged to:

Introducing the KPMG Global Tax Hub, a unifying solution designed to meet your needs

The KPMG Global Tax Hub (Hub) is here to help you prepare for the future of tax.

The Hub is a cloud and web-based solution that supports asset management organizations in quickly and securely adapting to the ever-growing demands and requests from investment professionals, business partners, and regulators.

The Hub provides asset management organizations with deeper insights and transparency into tax compliance, investor reporting, and data and analytics across a multitude of asset classes. The Hub also enables your global tax team to stay up-to-date 24/7 anywhere on any device.

By bringing together KPMG's technology platforms, tools and solutions, fueled by your data, the Hub is uniquely situated to help your business thrive.

“

Real value will be in analyzing data and being able to use that as an integrated piece of planning processes and forecasting capabilities.”

— **Harris Horowitz**
