United States - March 2024 Visa Bulletin

The March 2024 *Visa Bulletin* released by the U.S. Department of State reflects a significant change from the February 2024 *Visa Bulletin*.¹ Notably, United States Citizenship and Immigration Services (“USCIS”) will accept Forms I-485, *Application to Register Permanent Residence or Adjust Status*, utilizing the Final Action Dates chart.²

WHY THIS MATTERS

Congress limits the number of immigrant visas (“green cards”) which may be issued each year. A per-country limit of 7 percent of the annual quota of available employment-based immigrant visas applies. Each month, the U.S. Department of State (DOS) releases a *Visa Bulletin* indicating the availability of statutorily-limited visas for prospective immigrants.

The cut-off dates reflected in the *Visa Bulletin*, coupled with USCIS’ confirmation of which chart will apply, dictate eligibility to file a Form I-485 application in each month. In addition, the Final Action Dates chart in the applicable *Visa Bulletin* determines whether a pending Form I-485 or immigrant visa application may be approved.
