## Updates on E-Invoicing

The [list](#) of Electronic Billing System ("EBS") Solution Providers which have been registered with the Mauritius Revenue Authority ("MRA") has now been published.

Businesses with an annual turnover exceeding MUR 100 million and who have been notified by the MRA to join the e-invoicing system are required to onboard a compliant EBS Solution Provider and register as an Economic Operator on MRA's e-invoicing portal.

Businesses who have already customised their EBS can register their EBS with the MRA and start issuing fiscal invoices on a voluntary basis.

### Timeline

It will be mandatory for businesses with an annual turnover exceeding MUR 100 million to issue fiscal invoices as from **15 May 2024**.

The requirement will, at a later stage, be extended to other taxpayers.
