KPMG Finance Hub

You take care of business while
we take care of the numbers

Not everyone is a number cruncher, so let us take care of the financials while you focus on your business.

KPMG Finance Hub – your outsourced finance function.

When things feel uncertain, we can help you find clarity by giving you complete oversight of your business financials. Finance Hub is KPMG's outsourced bookkeeping, payroll and finance function service designed for private, mid-market and family-owned businesses.

Whether you're a startup, not-for-profit or an established and growing business, Finance Hub's cloud-based technology solution offers a range of services, delivered by a dedicated KPMG accountant and finance officer. Applying our scalable support to your finance function will offer you clarity, insights and control over your numbers so you can make confident and informed decisions for your organisation's future.
