Release of Updated VAT General Guide

The Bahrain National Bureau for Revenue (“NBR”) released an updated version of its VAT General Guide (“the Guide”). The Guide expands on the NBR’s earlier clarifications and forms a key part of the NBR’s ongoing efforts to provide clearer VAT guidance to taxpayers.

The Guide provides further details on VAT invoice requirements, including the description of the supply, as well as the treatment of capital assets under the Capital Assets Scheme.

In our latest Tax Insights article, we provide an overview of the key changes introduced in the Guide.
