IN ITS CAPACITY AS RECEIVER AND MANAGER
OF DOZR INC.**

June 16, 2026

I. INTRODUCTION

1. Pursuant to an application by Royal Bank of Canada (“**RBC**” or the “**Lender**”) under section 243(1) of the *Bankruptcy and Insolvency Act* (the “**BIA**”) and section 101 of the *Courts of Justice Act*, KPMG Inc. (“**KPMG**”) was appointed as receiver and manager (in such capacity, the “**Receiver**”) without security over all the assets, undertakings and properties (the “**Property**”) of DOZR Inc. (the “**Debtor**”) by way of an order (the “**Appointment Order**”) of the Ontario Superior Court of Justice (the “**Court**”), dated October 9, 2025 (the “**Date of Appointment**”). A copy of the Appointment Order is attached hereto as **Appendix “A”**.
2. On October 30, 2025, the Court granted an order (the “**Approval and Vesting Order**”) approving, among other things:
 - (a) the proposed transaction (the “**Transaction**”) between the Receiver and 17416512 Canada Ltd (the “**Purchaser**”) pursuant to an Asset Purchase Agreement dated October 23, 2025 (the “**APA**”);
 - (a) the US Agency Agreement (as defined in the APA) between DOZR Ltd. and the Purchaser; and
 - (b) the sealing of the confidential appendices to the Receiver’s first report dated October 23, 2025 (the “**First Report**”).
3. A copy of the Approval and Vesting Order is attached hereto as **Appendix “B”**.
4. The First Report provides, among other things, background information on the Debtor, the sale process conducted by the Receiver in respect of the Property, and the US Agency Agreement. A copy of the First Report (without appendices) is attached hereto as **Appendix “C”**.
5. Copies of materials filed in these receivership proceedings (the “**Receivership Proceedings**”) are available on the Receiver’s website for this case at: www.kpmg.com/ca/dozr (the “**Case Website**”).

II. PURPOSE OF REPORT

6. The purpose of this report (the “**Second Report**”) is to:

- (a) provide the Court with information pertaining to:
 - (i) the activities of the Receiver since the First Report;
 - (ii) the status and outcome of the Transaction;
 - (iii) the Receiver’s interim statement of receipts and disbursements (the “**Interim SRD**”) for the period from the Date of Appointment to and including June 11, 2026 (the “**SRD Period**”);
 - (iv) the Receiver’s proposed Interim Distribution (as defined herein) to RBC of, among other things, available funds from the net proceeds of the Transaction;
 - (v) the fees and disbursements of the Receiver and its independent counsel, Borden Landen Gervais LLP (“**BLG**”) through to the period ending May 31, 2026 and the Receiver’s estimate of professional fees and disbursements, including those of its counsel, required to complete the administration of these Receivership Proceedings (the “**Remaining Fees and Disbursements**”)
 - (vi) the remaining matters to be completed by the Receiver in order to conclude the administration of these Receivership Proceedings; and
- (b) recommend that the Court make an Order, substantially in the form of the draft Distribution and Discharge Order contained at Tab 3 of the Receiver’s Motion Record, among other things:
 - (i) approving this Second Report and the actions, conduct and activities of the Receiver described herein;
 - (ii) authorizing and directing the Receiver to make the Interim Distribution from cash on hand, and any subsequent distributions to RBC up to the amount of the indebtedness owed by the Debtor;

- (iii) approving the Interim SRD;
- (iv) approving the accounts of the Receiver and its counsel, including the Remaining Fees and Disbursements, as set out in the Second Report;
- (v) discharging KPMG Inc. as Receiver effective upon the filing of the Receiver's discharge certificate, certifying that, to the best of the knowledge and belief of the Receiver, all matters to be attended to in connection with these Receivership Proceedings have been completed to the satisfaction of the Receiver (the "**Receiver's Discharge Certificate**"); and
- (vi) ordering and declaring that, effective upon its discharge as Receiver, KPMG and its counsel, BLG, are released and discharged from any and all liability that KPMG now has or may hereafter have by reason of, or in any way arising out of, the acts or omissions of KPMG while acting in its capacity as Receiver, save and except for any gross negligence or wilful misconduct on the part of KPMG or BLG.

III. TERMS OF REFERENCE

7. In preparing this Second Report, KPMG has relied upon unaudited financial information, discussion with management of the Debtor, the Debtor's books and records, financial information prepared by the Debtor and discussions with the Lender and its legal counsel (collectively, the "**Information**"). In accordance with industry practice, except as otherwise described in the Second Report, KPMG has reviewed the Information for reasonableness, internal consistency, and use in the context in which it was provided. However, KPMG has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Auditing Standards ("**GAAS**") pursuant to the *Chartered Professional Accountant of Canada Handbook* and, as such, KPMG expresses no opinion or other form of assurance contemplated under GAAS in respect of the Information.
8. This Second Report has been prepared to provide general information and an update relating to these Receivership Proceedings. The use and reliance on this Second Report by

any person or entity, other than the Court, shall, in all circumstances, be at such person's or entity's own risk.

9. Capitalized terms used but not defined in this Second Report are defined in the First Report or the APA. A copy of the APA is attached hereto as **Appendix "D"**.
10. Unless otherwise stated, all monetary amounts noted herein are expressed in Canadian dollars.

IV. ACTIVITIES OF THE RECEIVER

11. The activities of the Receiver since the First Report have primarily included:
 - (a) discussing with the Purchaser and its counsel matters related to the APA and US Agency Agreement as it relates to the Transaction, including executing the US Agency Agreement and completing the necessary requirements to transfer ownership of the Debtor's assets to the Purchaser;
 - (b) with the assistance of BLG, attending to closing of the Transaction and filing the Asset Certificate with the Court confirming same;
 - (c) terminating employees of the Debtor;
 - (d) processing payroll for wages earned from the Date of Appointment to the termination date of the employees;
 - (e) reviewing the Debtor's books and records, including records for transactions completed by employees and/or executives of the Debtor;
 - (f) liaising with Service Canada in respect of Records of Employment ("**ROEs**") and the Wage Earner Protection Program ("**WEPP**"), including the preparation and issuance of ROEs and submitting WEPP claims on behalf of the Debtor's former employees;
 - (g) completing and filing T4 information returns in respect of former employees of the Debtor with the Canada Revenue Agency ("**CRA**");
 - (h) with assistance from BLG, addressing any pre-filing litigation against the Debtor;

- (i) pursuant to the US Agency Agreement, monitoring the collection efforts of the Purchaser;
- (j) reviewing invoices received through the general email account in preparation for a distribution to the suppliers of the Debtor for goods and services provided after the Date of Appointment;
- (k) assisting insurance providers of the Debtor with settling various insurance claims made by or against the Debtor;
- (l) with the assistance of legal counsel, discussions and correspondence with the Debtor's insurance broker, Leif Assurance ("**Leif**"), in connection with a dispute with the Purchaser with respect to insurance premiums to be refunded by Leif pursuant to general liability and inland marine insurance policies maintained by the Debtor (the "**Insurance Refund Dispute**");
- (m) attending to administrative matters, including maintaining the Case Website;
- (n) liaising with the CRA, conducting a trust account examination of the Debtor's payroll and GST/HST accounts;
- (o) attending at Court to obtain the Approval and Vesting Order; and
- (p) preparing this Second Report and reviewing related motion materials.

Insurance Refund Dispute

12. As noted above, the Insurance Refund Dispute relates to the entitlement to approximately US\$53,000 in insurance premium refunds arising from the cancellation of the Debtor's general liability and inland marine policies. The Purchaser asserts it is entitled to the majority of these amounts as it acquired the Debtor's rights and interests in these policies post-closing of the Transaction.
13. Leif has indicated to the Receiver that it intends to remit the entirety of such return premiums to the Purchaser. The Receiver disputes this position and takes the view that the

applicable insurance policies, and any refunds arising therefrom, constitute Property of the Debtor within the meaning of the Appointment Order.

14. The Receiver further notes that the APA did not provide for the transfer of the Debtor's insurance policies to the Purchaser. The APA expressly contemplates that the Receiver may cancel insurance maintained in respect of the Assets upon Closing, and that the Purchaser is responsible for arranging its own insurance coverage following Closing.
15. On June 8, 2026, BLG issued correspondence to Leif setting out the Receiver's position and formally requesting that the return premiums be paid to the Receiver (the "**June 8 Letter**"). As at the date of this Second Report, the Receiver and its counsel have not received a response in respect of the June 8 Letter.
16. Given the quantum at issue, the Receiver is of the view that Insurance Refund Dispute can be resolved in a timely matter that would avoid costly or time-consuming litigation. Further, the Remaining Fees and Disbursements takes into consideration estimated professional fees intended to address, among other things, the Insurance Refund Dispute.

V. TRANSACTION STATUS UPDATE

17. The details of the Transaction, APA and US Agency Agreement are summarized in the First Report and are not repeated herein. Readers are encouraged to refer to the First Report for further context and background information.

Transaction Status Update

18. In accordance with the APA, the Transaction closed on October 31, 2025 and the Receiver filed its certificate with the Court on the same day.

US Agency Agreement Update

19. In accordance with the APA, the US Agency Agreement was delivered to the Purchaser on Closing.

20. Pursuant to the US Agency Agreement, DOZR Ltd., a Delaware-incorporated subsidiary of the Debtor, appointed 17416512 Canada Ltd. as agent (in such capacity, the “**Agent**”) in connection with collection of DOZR Ltd.’s outstanding accounts receivable. DOZR Ltd. is not a respondent in these Receivership Proceedings.
21. The US Agency Agreement may be terminated by DOZR Ltd. upon 30 days’ prior written notice to the Agent if, after four months from the date of the US Agency Agreement, the Agent has failed to collect over a certain amount of accounts receivable in any given month.
22. As noted in the Interim SRD, the collections under the US Agency Agreement have been immaterial. As such, the Receiver, on behalf of the Debtor as the ultimate parent of DOZR Ltd., intends to terminate the US Agency Agreement as part of the Remaining Matters (as defined herein).

VI. INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

VII. PROPOSED DISTRIBUTION

RBC Credit Facilities

- 25. As of April 10, 2026, the Debtor was indebted to the Lender in the amount of approximately \$3,824,369, inclusive of professional fees and disbursements paid to the Receiver and its counsel in connection with the Receivership Proceedings, costs and/or fees, and interest that continues to accrue and payable pursuant to the Credit Agreement. Further details on the amounts owing to the Lender from the Debtor and the Lender’s Credit Agreement are contained in the First Report.
- 26. The Receiver has obtained an independent legal opinion from BLG, with respect to the validity and enforceability of the security granted in favour of RBC under the laws of the Province of Ontario, which provides that, subject to the customary qualifications, assumptions and limitations discussions therein, the security granted to RBC constitutes

valid and enforceable security, creates a valid security interest in the applicable collateral, and has been properly perfected or otherwise evidenced by the required registrations.

27. The Receiver notes that the cash on hand in the Receiver's accounts, as of June 11, 2026, will not be sufficient to repay RBC's secured indebtedness in full.

Potential Priority Claims

28. The security granted by the Debtor in favour of RBC is subject to the following priority charges and security interests or claims in respect of the Purchased Assets or the proceeds received therefrom:
- (a) the Receiver's Charge (as defined herein);
 - (b) the Receiver's Borrowings Charge (as defined herein); and
 - (c) statutory claims pursuant to the BIA (the "**BIA Claims**").

Receiver's Charge

29. Paragraph 18 of the Appointment Order secures payment of the fees and disbursements of the Receiver and its counsel, both before and after the Date of Appointment, as a first charge (the "**Receiver's Charge**") on the Property, in priority to all other security interests, trust, liens, charges and encumbrances.
30. As at the date of this Second Report, the Receiver and its counsel have received payment for their respective fees and disbursements incurred as part of these Receivership Proceedings through to March 31, 2026. As discussed further below, the Receiver and its counsel have estimated Remaining Fees and Disbursements from June 1, 2026 onwards in the amount of approximately \$80,005 (including HST). The Receiver's accrued fees and disbursements, including those of its counsel, since April 1, 2026 ("**Accrued Professional Fees**"), plus the Remaining Fees and Disbursements, will be paid by the Receiver from the Reserve (as defined herein) prior to its discharge.

Receiver's Borrowings Charge

31. Pursuant to paragraph 21 of the Appointment Order, the Receiver was authorized to borrow up to \$250,000, as it considered necessary or desirable, to exercise the powers and duties conferred upon the Receiver, which borrowings would be secured by a fixed charge on the Property (the “**Receiver's Borrowings Charge**”) subordinate in priority only to the Receiver's Charge. As of the date of this Second Report, no borrowings are outstanding and thus no amounts are subject to the Receiver's Borrowings Charge.

BIA Claims

32. The Receiver understands that the Debtor had liabilities as of the Date of Appointment that rank, or may rank, in priority to the secured indebtedness of RBC:
- (a) approximately \$20,854 payable to Service Canada in respect of potential WEPP claims for former employees of the Debtor, based on the Debtor's books and records, which may give rise to a subrogated claim corresponding to the priority set out in section 81.4 of the BIA (the “**WEPP Claims**”);
 - (b) approximately \$3,428 owed to CRA in respect of pre-filing sales taxes (the “**Pre-Filing HST**”);
 - (c) approximately \$57 owed to Manitoba Ministry of Finance in respect of pre-filing sales taxes (the “**Pre-Filing RST**”);

 - (e) approximately \$17,662 in unremitted source deductions owed by the Debtor to CRA for periods prior to the Date of Appointment (the “**Pre-Filing Source Deductions**”). On February 18, 2026, the CRA completed a payroll trust account examination of the Debtor's payroll account and issued a Notice of Assessment, dated May 12, 2026, to the Receiver asserting a claim for the Pre-Filing Source Deductions.

33. As at June 11, 2026, the Receiver had total cash on hand of approximately \$816,714.

The purchaser of any Property shall be entitled to continue to use the personal information provided to it, and related to the Property purchased, in a manner which is in all material respects identical to the prior use of such information by the Debtor, and shall return all other personal information to the Receiver, or ensure that all other personal information is destroyed.

16. THIS COURT ORDERS that nothing herein contained shall require the Receiver to occupy or to take control, care, charge, possession or management (separately and/or collectively, "Possession") of any of the Property that might be environmentally contaminated, might be a pollutant or a contaminant, or might cause or contribute to a spill, discharge, release or deposit of a substance contrary to any federal, provincial or other law respecting the protection, conservation, enhancement, remediation or rehabilitation of the environment or relating to the disposal of waste or other contamination including, without limitation, the *Canadian Environmental Protection Act*, the Ontario *Environmental Protection Act*, the *Ontario Water Resources Act*, or the Ontario *Occupational Health and Safety Act* and regulations thereunder (the "Environmental Legislation"), provided however that nothing herein shall exempt the Receiver from any duty to report or make disclosure imposed by applicable Environmental Legislation. IV. BACKGROUND

Overview of DOZR

8. The Debtor is a corporation incorporated pursuant to the laws of Ontario, with its head office located in Kitchener, Ontario.
9. The Debtor is the ultimate parent company to the DOZR group of companies and carries on its business activities in Canada. The Debtor is the sole shareholder of DOZR Holdings Ltd. (“**Holdings**”), a Delaware incorporated holding company, which, in turn, is the sole shareholder of DOZR Ltd. a Delaware incorporated entity that carries on DOZR’s business activities in the United States (“**DOZR US**”, collectively with the Debtor and Holdings, “**DOZR**”). The corporate structure of DOZR is outlined below:

10. DOZR is a construction technology company that operates an online marketplace for construction equipment rentals. DOZR does not own or lease any equipment directly. When a customer places an order through the platform, DOZR facilitates the transaction by sourcing the equipment from third-party rental providers located across Canada and the United States. This intermediary model enables contractors to access a broad inventory of equipment without engaging directly with multiple rental companies.
11. DOZR conducts its operations remotely and does not maintain physical office locations. Pursuant to two (2) State of Delaware Annual Franchise 2023 Tax Reports for DOZR US and Holdings respectively (the “**Tax Reports**”) the registered agent office for each entity is as follows:
 - (i) for Holdings the registered agent office is located at 3411 Silverside Road, Tatnall Building Suite 104, Wilmington, DE, 19810; and
 - (ii) for DOZR US the registered agent office is located at 1521 Concord Pike, Suite 201, Wilmington, DE, 19803.
12. Pursuant to the Tax Reports, the sole director and officer for Holdings is Kevin Forestell. Mr. Forestell is also the director for DOZR US, and Harold Shelton is listed as officer for DOZR US. The Receiver understands that Mr. Forestell and Mr. Shelton have since resigned their respective positions in Holdings and DOZR US.
13. The Receiver understands that DOZR US does not have any employees as all the employees were retained through DOZR Inc.
14. At or about the Appointment Date, the Receiver understands the Debtor employed approximately eighteen (18) employees located throughout Canada and two (2) located in the Philippines, as well an additional twenty-four (24) individuals as contractors located in the United States, India and Philippines, which included customer relations, sales, software engineers, human resources, and finance professionals. The Receiver further understands that none of the Debtor’s employees were unionized or subject to collective bargaining agreements.

Assets

15. According to DOZR US latest unaudited and internal financial statements, for the nine-month period ending August 31, 2025, DOZR US generated revenue of approximately US\$12.4 million. Based on its books and records, DOZR US has approximately US\$4.0 million of net accounts receivable as at the Date of Appointment. The Receiver understands DOZR US holds limited fixed assets, consisting primarily of computer hardware such as laptops.
16. According to the Debtor's latest unaudited and internal financial statements, for the nine-month period ending August 31, 2025, the Debtor generated revenue of approximately \$1.6 million.
17. According to the Debtor's unaudited and internal books and records, as at August 31, 2025, the Property consisted of the following:

DOZR Inc. Description	As of August 31, 2025 Amount (\$CAD)
Accounts receivable	677,051
Government grants receivable	167,000
Prepays	101,341
Capital assets	4,307
Total	949,699

Note: The above amounts represent book values of the Debtor's assets and do not necessarily represent the realizable of the Property, which may differ materially from the book value.

18. As noted above, Debtor's primary asset consists of accounts receivable. The Debtor also owns intellectual property such as trademarks, designs, domain names, social media accounts, and software code and data bases, some of which are also utilized by DOZR US in its operations, however these are not presented within the Debtor's unaudited and internal books and records as they have been fully depreciated pursuant to the Debtor's accounting policies. The Debtor's capital assets primarily consist of computer hardware such as laptops.

Creditors

19. Based on its books and records as at the Date of Appointment, the Debtor had total liabilities of approximately \$4.2 million, as summarized in the table below:

Creditor	Estimated Amount Owed (\$CAD)
Secured Creditors	
Royal Bank of Canada	3,369,043
Total Secured Creditors	3,369,043
Potential Priority Claims	
Various Employees	37,759
Total Potential Priority Claims	37,759
Unsecured Creditors	849,329
Total Liabilities	4,256,131

Note: There are various entities with security registered under the *Personal Property Security Act* (PPSA) as of August 1, 2025. The value of their potential claims (if any) are unknown at this time.

RBC Credit Facilities

20. Pursuant to a credit agreement among DOZR Inc., as borrower, Holdings and DOZR US, as guarantors, and RBC, as lender, dated July 13, 2022 (the “**Credit Agreement**”), RBC agreed to advance funds and extend credit to the Debtor, to be used for general corporate purposes (collectively, the “**Loan**”). The term of the Loan was extended to October 31, 2025 pursuant to an approved commercial credit request.
21. In accordance with the terms of the Credit Agreement, the Loan is secured by various security granted by the Debtor in favor of RBC. This included a general security agreement dated July 13, 2022, securing all of the Debtor’s present and after acquired personal property (excluding intellectual property but including all proceeds of intellectual property).
22. Additionally, the debts and liabilities owing by the Debtor to RBC under the Credit Agreement, were guaranteed by each of Holdings and DOZR US and secured by, among other things, a general security agreement granted by each of Holdings and DOZR US in favour of RBC with respect to substantially all of their respective assets.

23. As at the Appointment Date, approximately \$3.4 million in aggregate, exclusive of fees, costs and interest, was outstanding under the Loan (“**RBC Secured Debt**”).
24. The Receiver has instructed its counsel Borden Ladner Gervais LLP to review RBC’s security interest to render an opinion in due course with respect to the validity and enforceability thereof.

Other PPSA Registrants

25. In addition to RBC, the Debtor has a number of other secured creditors that have registered security interests against the Debtor pursuant to the *Personal Property Security Act* (Ontario) (“**PPSA**”), primarily related to convertible notes held by certain investors. The Receiver is still in the process of determining the quantum of any amounts that may be owed and the underlying collateral for these registrations. Pursuant to an inter-lender agreement dated September 11, 2024 (the “**Inter-lender Agreement**”) various PPSA registrants agreed to postpone and subordinate their security interest in favour of RBC.

Potential Priority Claims

26. Based on the Debtor’s books of account and financial records, the Receiver understands that the Debtor has other liabilities that, as of the Appointment Date, may rank in priority to the RBC Secured Debt including, approximately \$56,000 in accrued vacation pay liability owing to current or former employees of the Debtor, of which approximately \$37,700 could be subject to a priority under section 81.4 of the BIA.
27. The Receiver understands that the Debtor is current with respect to its pre-filing sales taxes and payroll accounts. However, the Receiver is currently reviewing the Debtor’s books and records to and respective support to ensure the aforementioned accounts are current.

Unsecured Claims

28. The Receiver understands that the Debtor has unsecured trade payables of approximately \$849,000, the majority of which relate to suppliers of construction equipment.

V. ACTIVITIES OF THE RECEIVER

29. Since the Date of Appointment, the Receiver's activities have included:

- (a) taking possession and control of the Property;
- (b) opening new bank accounts under the Receiver's name and arranging for access to be provided to the Debtor's accounts;
- (c) obtaining access to the Debtor's accounting software;
- (d) sending to all creditors on record the Notice and Statement of Receiver required under section 245(1) and 246(1) of the BIA;
- (e) notifying the Debtor's employees of the receivership proceedings;
- (f) responding to inquiries from stakeholders, including addressing questions or concerns of parties who contacted the Receiver on the local or toll-free telephone hotlines and/or general email account established by the Receiver for these receivership proceedings;
- (g) reviewing the Debtor's books and records, and specifically its accounting and financial records with respect to the Debtor's accounts receivable, inventory and other assets;
- (h) identifying potential priority claims that rank, or may rank, in priority to the RBC Security;
- (i) corresponding with the Lender and its counsel regarding the status of the receivership proceedings;
- (j) reviewing and processing payment on goods and services provided after the Date of Appointment;
- (k) reviewing and analyzing the Debtor's books and records in order to develop a realization strategy for the Property;

- (l) correspondence and discussions with the Debtor's key suppliers in regard to the Appointment Order and the treatment of pre-filing amounts thereunder;
 - (m) correspondence and extensive discussions with the Debtor's key suppliers in regard to the Appointment Order, the requirement to continue services thereunder, and negotiating deposits for supplier to continue post-filing services;
 - (n) responding to diligence questions and information requests from interested parties;
 - (o) communicating with various interested parties regarding the Property and timeline for submitting offers in respect of same;
 - (p) reviewing and evaluating any offers received;
 - (q) negotiating the APA with the Purchaser, including timeline to closing;
 - (r) communicating with various interested parties regarding the business and assets of the Debtor and DOZR US; and
 - (s) preparing this First Report.
30. To inform creditors and all other stakeholders, general information on these proceedings has been posted on the Receiver's website at <https://kpmg.com/ca/dozr>. As noted above, the Receiver has also established a dedicated local 416-777-3303 and toll-free hotline 1-833-724-4469 for general creditor inquiries, as well as a general email address dozr@kpmg.ca to address specific questions or concerns from stakeholders with respect to these receivership proceedings.

VI. RECEIVER'S EFFORTS TO MARKET THE PROPERTY

31. After the Appointment Date the Receiver recognized immediately that the Debtor's business was subject to rapid deterioration in respect of value and goodwill if a sale of the business could not be completed in short order. Accordingly, pursuant to the powers granted to the Receiver under the Appointment Order, in particular paragraph 3(j) thereof,

the Receiver immediately began soliciting interest, on an expedited basis, from prospective parties who might be interested in acquiring all or parts of the Property.

32. In the Receiver's opinion, an expedited sales process for the Property was required due to the following reasons:

- (a) Marketplace model without owned inventory: DOZR operates as an online marketplace for heavy equipment rentals and does not own any equipment. This significantly limits the appeal of the business to buyers seeking tangible assets or inventory-based operations. Since there are no physical assets to recover and realize, a prolonged sale process would not yield additional value.
- (b) No proprietary technology or patents: The Debtor does not hold any patents or proprietary technology, which reduces its strategic value to potential acquirers looking for intellectual property or defensible competitive advantage. An expedited sale avoids additional costs and preserves the remaining operational goodwill.
- (c) Supplier-controlled equipment: Equipment listed on the online platform is owned by third-party suppliers. The Receivership proceedings have created uncertainty for various Canadian equipment suppliers as any pre-filing payables would be stayed pursuant to the Receivership Order. An expedited sale process mitigates the risk of erosion in supplier relationships and online platform functionality.
- (d) Dependency on supplier relationships: The Debtor's value is tied to its network of rental partners. These relationships are not contractually guaranteed to transfer and would deteriorate given the Receivership proceedings. Since the Date of Appointment, the Receiver has been advised that U.S. equipment suppliers have commenced removing their equipment from job sites. As DOZR US is not a respondent in these proceedings, the Receiver is unable to enforce the stay of proceedings against these suppliers. A timely sale helps preserve continuity and minimizes the reputational damage to the Debtor and its business.
- (e) Retaining talent and necessary employee base: The Receivership proceedings have created uncertainty for the Debtor's employees. Since the Date of Appointment,

competitors have approached certain of the Debtor's employee to present employment opportunities. A quick transaction is needed immediately in order to preserve as many critical employees as possible for a potential purchaser in order to maintain a going concern value.

- (f) Liquidity challenges: The Debtor had experienced significant liquidity challenges prior to the Date of Appointment, including that it would cost approximately \$338,000 to operate its business for the month of October. While the Receiver has explored options to limit costs where possible, DOZR has a high fixed cost base with monthly payroll costs of approximately \$205,000. As discussed above, the value of the business is inherently tied to its supplier relationships which relies on a consistent headcount in order to maintain operations. Absent an immediate sale of the Purchased Assets, the Receiver will require additional funding via the Receiver's borrowings charge, which will only further increase RBC's exposure and eventual loss on its secured advances.

Solicitation Process

- 33. The Receiver understands, based on discussions with the Debtor's management, that during the twelve (12) months preceding the Date of Appointment, DOZR actively pursued avenues to secure additional capital and/or identify a strategic acquirer within the equipment rental and technology sectors. DOZR engaged in discussions with existing investors, approximately seven (7) prospective equity participants, and approximately sixty (60) potential strategic buyers (collectively, the "**Solicited Parties**").
- 34. The principal concerns raised by the Solicited Parties regarding a potential recapitalization were the RBC Secured Debt and the outstanding trade payables owed to DOZR's vendors. A successful transaction would have required the purchaser to satisfy or settle the aforementioned obligations as a condition precedent to closing. As such, despite DOZR's efforts to secure additional capital and/or identify a strategic acquirer, none of the discussions with the Solicited Parties resulted in a binding transaction.
- 35. In the period leading up to the Date of Appointment, the Purchaser was engaged in discussions with RBC and its legal counsel regarding a potential transaction to acquire the

Lender's security granted pursuant to the Credit Agreement. On or about September 28, 2024, the Purchaser submitted a non-binding letter of intent outlining the proposed terms and conditions for the transaction. Upon review, the terms, conditions and quantum set forth in the letter of intent were not acceptable to RBC and no agreement was reached prior to the Receiver's appointment.

36. On or about the Date of Appointment, the Receiver immediately commenced a process to pursue a sale of the Property in an effort to maximize value for the benefit of all stakeholders. A summary of the key aspects of the Receiver's efforts and its results are summarized below:
- (a) the Receiver contacted a total of six (6) potentially interested parties (the "**Interested Parties**"), consisting primarily of strategic buyers in connection with a sale or other strategic restructuring transaction involving the Debtor's business and assets. A majority of the Interested Parties contacted included parties that had previously expressed an interest in some or all of the Debtor's assets through formal or informal marketing efforts conducted by the Debtor prior to the granting of the Appointment Order;
 - (b) the Receiver held introductory calls with all the Interested Parties and two (2) of the Interested Parties executed a non-disclosure agreement (the "**Potential Bidders**") in order for the Receiver to share financial, operational and other diligence information concerning the Debtor and its assets to assist the Potential Bidders in evaluating a potential transaction;
 - (c) the Receiver held follow-up diligence calls with the Potential Bidders and, to the extent requested, organized meetings with the Debtor's management;
 - (d) the Purchaser submitted a non-binding letter of intent ("**LOI**") on or about October 14, 2025 to acquire substantially all the assets of the Debtor, including its indirect interest in DOZR US; and

- (e) the Receiver reviewed the LOI and concluded that the offer from the Purchaser provided the highest consideration for the Property and was the offer the Receiver would pursue to a closing.
- 37. Over the past week, the Receiver has been working with the Purchaser to address a number of conditions contained in its offer. These conditions included holding discussions with the Debtor, a review of Debtor's contracts and a review of accounts receivable listings.
- 38. On October 23, 2025, the Purchaser and the Receiver executed the APA, which remains subject to the Court approving the Transaction.

VII. TRANSACTION

- 39. The Receiver, Purchaser, and their respective counsel have negotiated the terms and provisions of the APA pursuant to which the Purchaser shall, acquire on an 'as is, where is' basis, the Purchased Assets, subject to the approval of the Court.
- 40. The key terms of the APA are summarized below:
 - (a) Purchaser: 17416512 Canada Ltd.
 - (b) Purchase Price: a fixed cash purchase price for the Purchased Assets plus the value of the Assumed Obligations (the "**Asset Purchase Price**").
 - (c) Purchased Assets: comprised of,
 - (i) Contracts;
 - (ii) Accounts Receivable;
 - (iii) Rental Deposits;
 - (iv) Intellectual Property, including trademarks, domain names, social media accounts, software and code, databases and data; and
 - (v) Personal Property.
 - (d) Excluded Assets: comprised of,
 - (a) all cash and cash equivalents of the Debtor;

- (b) all equity interests in Holdings;
 - (c) any tax refunds or credit of the Debtor;
 - (d) any trade accounts receivable, notes receivable, prepaid accounts, book debts and other intangibles or debts owing to the Debtor that are generated after the date of the Appointment Order.
- (e) Deposit: a non-refundable deposit representing 50% of the Asset Purchase Price was received by the Receiver on October 23, 2025 and is being held, in trust, in accordance with the provisions under the APA.
- (f) Payment of the Purchase Price: balance of the Asset Purchase Price, after application of the Deposit and less any Rental Deposits, to be paid by the Purchaser at or before the Time of Closing.
- (g) US Agency Agreement: Agency agreement to be entered into between DOZR US and the Purchaser with respect to the appointment of the Purchaser as agent to DOZR US in connection with collection of its accounts receivable.
- (h) Employees: the Debtor shall terminate, in writing, the employment of all of its employees on the Closing Date. Upon closing of the Transaction, the Purchaser has advised the Receiver that it intends to make offers of employment to certain of the Debtor's employees and subject to its ability to resume operations, intends to make offers to additional former employees over time, such that a number of the Debtor's employees are offered employment.
- (i) As Is, Where Is: the Transaction is on an "as is, where is" basis with limited representations and warranties.
- (j) Conditions: the conditions to Closing include, among other things, the issuance of the Approval and Vesting Order.
- (k) Closing Date: the first Business Day following the date on which Approval and Vesting Order is granted, or such later date as agreed by the Parties.
- (l) Outside Date: October 31, 2025 at 11:59 p.m. (Toronto time).

41. As noted above, the APA contemplates the delivery of the US Agency Agreement to the Purchaser on Closing. As there are no longer any directors or officers of DOZR US or Holdings, the Receiver will execute the US Agency Agreement on behalf of the Debtor, as the ultimate parent of DOZR US, as part of closing of the Transaction and the Receiver seeks approval by the Court of the US Agency Agreement. Copies of the APA and the US Agency Agreement, redacted for certain commercially sensitive terms, are attached hereto as **Appendices “B” and “C”**. Copies of the unredacted APA and US Agency Agreement will be filed separately with the Court as **Confidential Appendices “1” and “2”**.
42. In the event the Court approves the Transaction and the APA, but the Transaction does not close, the Receiver is of the view that efforts to remarket the Property may be impaired if the unredacted APA or US Agency Agreement are made public at this time. In the circumstances, the Receiver is of the view that it is appropriate that the unredacted APA and US Agency Agreement be sealed by order of the Court pending further order of the Court.
43. Following the closing of the Transaction for the Purchased Assets, the Receiver will file the Receiver’s Certificate with the Court confirming (i) payment by the Purchaser of the Asset Purchase Price for the Purchased Assets; (ii) conditions to closing as set out in the APA have been satisfied or waived by the Receiver and the Purchaser; and (iii) the Transaction relating to the Purchased Assets has been completed to the satisfaction of the Receiver.

VIII. CONCLUSIONS AND RECOMMENDATIONS

44. The Receiver is of the view that the Transaction represents the best value for the Purchased Assets in the circumstances and recommends the Court issue an order approving the APA, the US Agency Agreement and the Transaction for the following reasons:
- (a) the Sale Process undertaken by the Receiver was commercially reasonable and involved targeted outreach and discussion with multiple interested parties;

- (b) the Receiver is operating the Debtor's business on a limited basis since the Appointment Date and there is not sufficient funding available to support a prolonged sales process for the Purchased Assets;
- (c) RBC is the largest secured creditor and accordingly has the largest economic interest in the Purchased Assets and any further marketing efforts, in the Receiver's view, are not likely to result in proceeds that would be in excess of the RBC Secured Debt;
- (d) the Transaction provides a return to RBC that is higher than what could be achieved in a forced liquidation of assets;
- (e) RBC, which is expected to suffer a loss on its secured advances to the Debtor, supports the Transaction;
- (f) the Transaction provides the opportunity for continued employment for certain of the Debtor's employees; and
- (g) time is of the essence as the Purchased Assets remains at risk of being diminished by lost customer orders due to the uncertainty caused by the Receivership proceedings which, in the Receiver's view, do not support further marketing of the Purchased Assets.

45. Based on the foregoing, the Receiver recommends that this Court grant the relief as set out in its Notice of Motion.

All of which is respectfully submitted this 23rd day of October 2025.

To the extent that there are any obligations owing by the Debtor under any Assumed Obligations, the Buyer shall assume and be responsible for such obligations from and after Closing. This Agreement and any document delivered under this Agreement will not constitute an assignment or an attempted assignment of any Contract contemplated to be assigned to the Buyer under this Agreement which is not assignable without the consent of a Third Party if that consent has not been obtained and that assignment or attempted assignment would constitute a breach of such Contract or, in the alternative, if an

The Buyer acknowledges that it has entered into this Agreement on the basis that the Seller does not guarantee title to the Assets and that the Buyer has conducted any inspections of the condition of and title to the Assets that it deemed appropriate and has satisfied itself with regard to these matters. No representation, warranty or condition of any nature or kind whatsoever is expressed or can be implied as to title, description, condition, encumbrances, regulatory approval, zoning, environmental condition (including the existence of hazardous substances), fitness for purpose, present or future use, lawful use, merchantability, quantity or quality, assignability or in respect of any other matter or thing concerning the Assets or the right of the Seller to sell them, save as expressly represented or warranted in this Agreement. Without limiting the generality of the foregoing, any and all conditions, warranties or representations expressed or implied pursuant to the *Sale of Goods Act* (Ontario) or similar legislation do not apply to the Transaction and have been waived by the Buyer. The description of the Assets contained in the Schedules is for the purpose of identification only; no representation, warranty or condition has or will be given by the Seller concerning the completeness or accuracy of those descriptions.

2.5 Excluded Obligations

Other than the Assumed Obligations, the Buyer will not assume and will not be liable for any other liabilities or obligations of the Debtor.

On or prior to the Time of Closing, the Buyer will pay the Purchase Price to the Seller, or as the Seller otherwise directs, as follows:

- 2.7.2.3 the Buyer will assume the Assumed Obligations.

2.8 Allocation of Purchase Price

The Purchase Price payable by the Buyer will be allocated among the Assets and the Assumed Obligations in accordance with Schedule 7.

- 2.9.1 The Buyer will pay upon Closing, in addition to the Purchase Price, all applicable federal and provincial taxes exigible in connection with the purchase and sale of the Assets including harmonized sales tax, or if applicable goods and services tax, and any other provincial sales tax. Alternatively, where applicable, the Buyer will have the option to furnish the Seller with appropriate exemption certificates.

- 2.9.3 If such election is available, the Parties will complete and sign on or before the Closing Date, joint elections under section 167(1) of the ETA to permit the purchase and sale of the Assets without incurring goods and services taxes or harmonized sales taxes. The Buyer will duly file the elections with the appropriate Governmental Authorities within the time permitted under the ETA.

2.10 Employees

- 2.10.1 At least three days before the Closing Date, the Seller shall provide the Buyer with a current list of Employees (the "**Employee List**"), in a format to be agreed upon by the Parties, each acting reasonably. The Employee List shall include for each Employee: their name, job title, hire date, wage or salary rate, and rate that vacation pay accumulates, and a job duty outline, and for hourly employees, the number of hours generally worked per week. On the Closing Date, the Seller shall also deliver to the Buyer a further updated Employee List as at the Closing Date.

- 2.10.2 On the Closing Date, the Seller shall terminate all Employees and provide copies of such notice to the Buyer. Upon completion of the Closing, the Buyer may offer employment to each of the Employees who are employed in the Business as of the Closing Date on substantially similar terms and conditions upon which they are currently employed with the Debtor, in the Buyer's sole and absolute discretion.
- 2.10.3 The Buyer acknowledges and agrees that the Seller makes no representation or warranty that any Employee will accept employment with the Buyer.
- 2.10.4 Until the Closing Date, the Debtor will be responsible for all wages, statutory deductions, remittances, assessments, bonuses, vacation pay, sick leave, severance pay, termination pay, amounts paid in lieu of notice, and any other remuneration, benefits and deductions for all the Employees, that become due prior to the Closing Date.

Each provision of this Agreement is distinct and severable. Without prejudice to the ability of any Party to enforce this Agreement in any other proper jurisdiction, each of the Parties irrevocably submits and attorns to the exclusive jurisdiction of the courts of the Province of Ontario to determine all issues, whether at law or in equity arising from this Agreement. To evidence the fact that a Party has executed this Agreement, such Party may send

a copy of its executed counterpart to the other Party by electronic transmission and, if sent by email, in Portable Document File (PDF) format. That Party will be deemed to have executed this Agreement on the date it sent such electronic transmission.
