

Starting a business in Finland

Our experts from different service areas work in a close cooperation, ensuring our advice to you considers all the required matters before starting a business in Finland. We take care of the necessary registrations, apply for work permits for your employees, if needed, draft documents, liaise with the local authorities and advise you on the applicable legislation and practice.

Our services

- Employment law services
- Guidance on employment legislation and practice (incl. advice on the applicable collective agreement)
- Drafting employment contracts
- Drafting statutory plans
- Drafting company policies and internal guidelines
- Services related to the registration of a company
- Immigration services
- Services related to taxation and social security
- Payroll services
- Other legal services

We are here to support you beyond the initial setup of your business in Finland. As your trusted advisor and partner, we continue to assist your company, providing ongoing guidance and strategic advice to your board and owners.
