CIRCLE Celebrating 85 years with KPMG

Feb 2026

Dear Alumni!

February brings festive cheer with the Lunar New Year. It's also the moment we mark a milestone – KPMG in Singapore's 85th anniversary. All year long, KPMG will be celebrating 85 years of being in front, sharing stories that connect our past, present and future.

This issue, I'm pleased to spotlight [Ho Wah Lee](#), whose distinguished career and reflections on stewardship, camaraderie and growth embody the enduring values that continue to guide us today. His journey reminds us that our legacy is built not only on achievements, but on the spirit we carry forward together.

Wishing you prosperity in the Year of the Horse, and a great read! As always, do [connect with me on LinkedIn](#) and join our [CIRCLE - KPMG Alumni LinkedIn page](#) to stay up to date. If you have any updates, we'd love for you to share them with us through our [Alumni Update Contact Form!](#)

Happy Year of the Horse!

The Year of the Horse brings energy, optimism and forward momentum. It's the perfect time to embrace new opportunities and build on everything we've achieved together in the past 85 years.

Let's make 2026 a year to remember. Wishing you and your loved ones a joyful and prosperous Year of the Horse!

85 years of KPMG in Singapore, together

All year long, the CIRCLE team will share little gems of history and present-day reflections from 85 years of KPMG in Singapore. We invite you to reminisce about past experiences and celebrate how our journey continues together.

Did you know?

See any familiar faces? On 24 Aug 1990, the firm hosted its very first formal Alumni Get-Together, marking the beginning of a proud tradition. The event brought together alumni who had gone on to become leaders in the business community. It truly planted the seeds of connection and camaraderie that continue to flourish in our alumni family today.

Past & Present: Workspaces through the years

Back then, our office meant small booths, bulky desktops and the steady hum of dial up. Fast forward to today, and the scene cannot be more different – open spaces, hotdesking and sleek screens that keep us connected. Much has changed about our workspaces but our spirit of teamwork and collaboration has only grown stronger!
