

# How can you prepare for transformation?

The pace of regulatory change in sustainable finance continues to be rapid – not just through the introduction of new requirements but also via substantial amendments and clarifications to existing regimes.

Amidst calls for global collaboration, jurisdictions and regions are acting separately and are adopting different approaches. Regulatory divergence is causing issues for cross-border asset managers in terms of navigating different rules, particularly where regulations can have an extra-territorial impact.

# Initiatives to prepare for transformation.....

Building on the themes in the previous slide, there are a series of short, medium and long term initiatives that can help you deliver effectively. We would like to work with you to discuss this further.
